

Chapter 7  
A Sudden Invitation

LIVEHOUSE  
**CIRCLE**

You may not  
remember  
me,

but you  
turned me  
down when I  
asked you at  
your second  
solo live.

But I'm not  
giving up...

You'll be  
able to  
participate  
at Fes

without  
needing to  
enter the  
contest!

You'll  
even be  
performing  
on the main  
stage!

I know  
you're very  
particular  
about the  
band you sing  
with,

so I've  
prepared  
some band  
members  
specifically  
for you.

Ah!

Yukina  
-chan...

This would  
mean a  
major debut  
for you...

Why... am  
I making  
excuses...?

It's true... that it  
would be difficult  
for Roselia to  
play on the main  
stage of the  
next FUTURE  
WORLD FES.

If I join this  
agency, I would  
be guaranteed  
to perform  
there...

Did I say  
something  
that  
offended  
you?

.....Yukina  
-san?

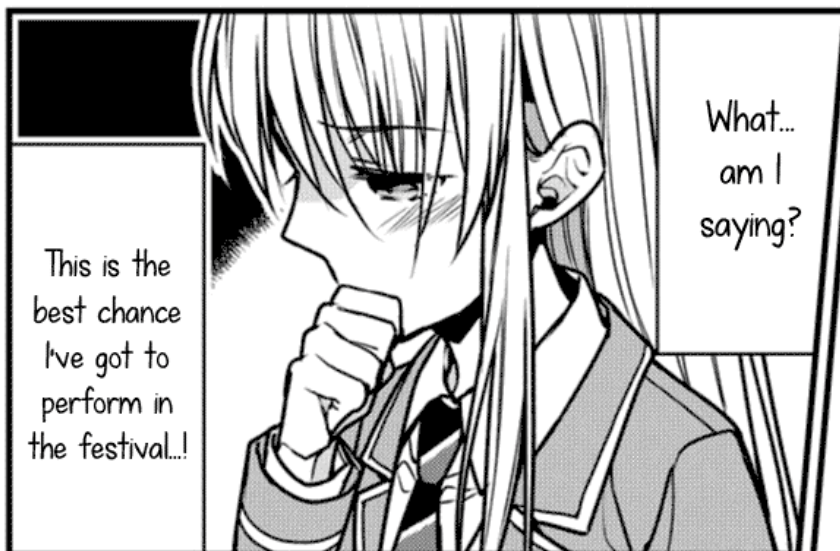

I'm  
sorry.

No...

It's not  
that...

This is the best chance I've got to perform in the festival...!

What... am I saying?

I'd like...

...some time to think about it.

Of course.

We'll wait for as long as you need to make up your mind.

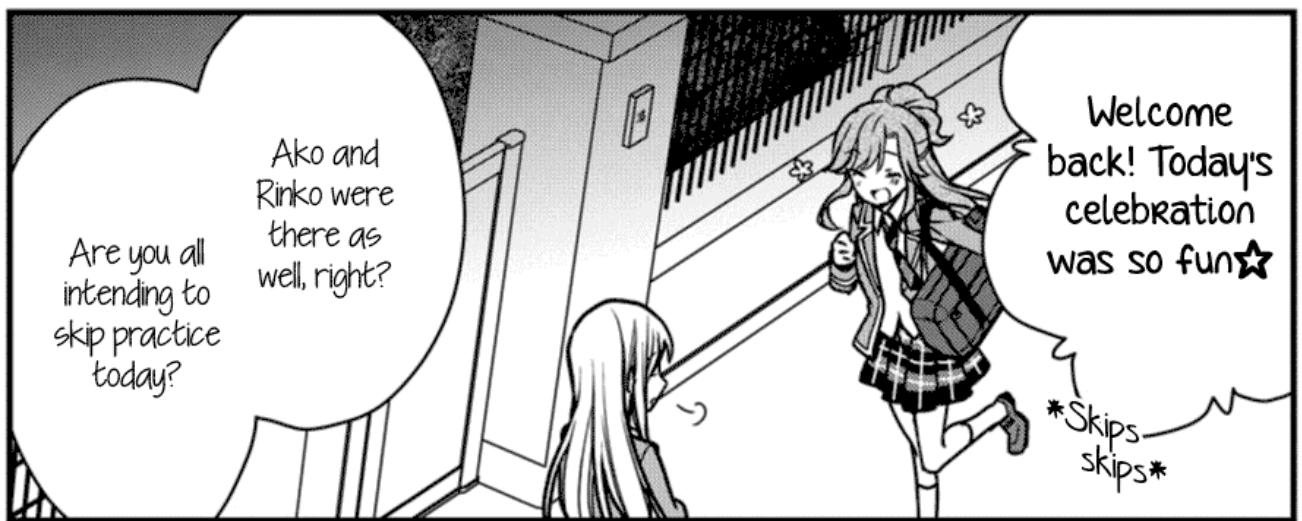

...Thank you.

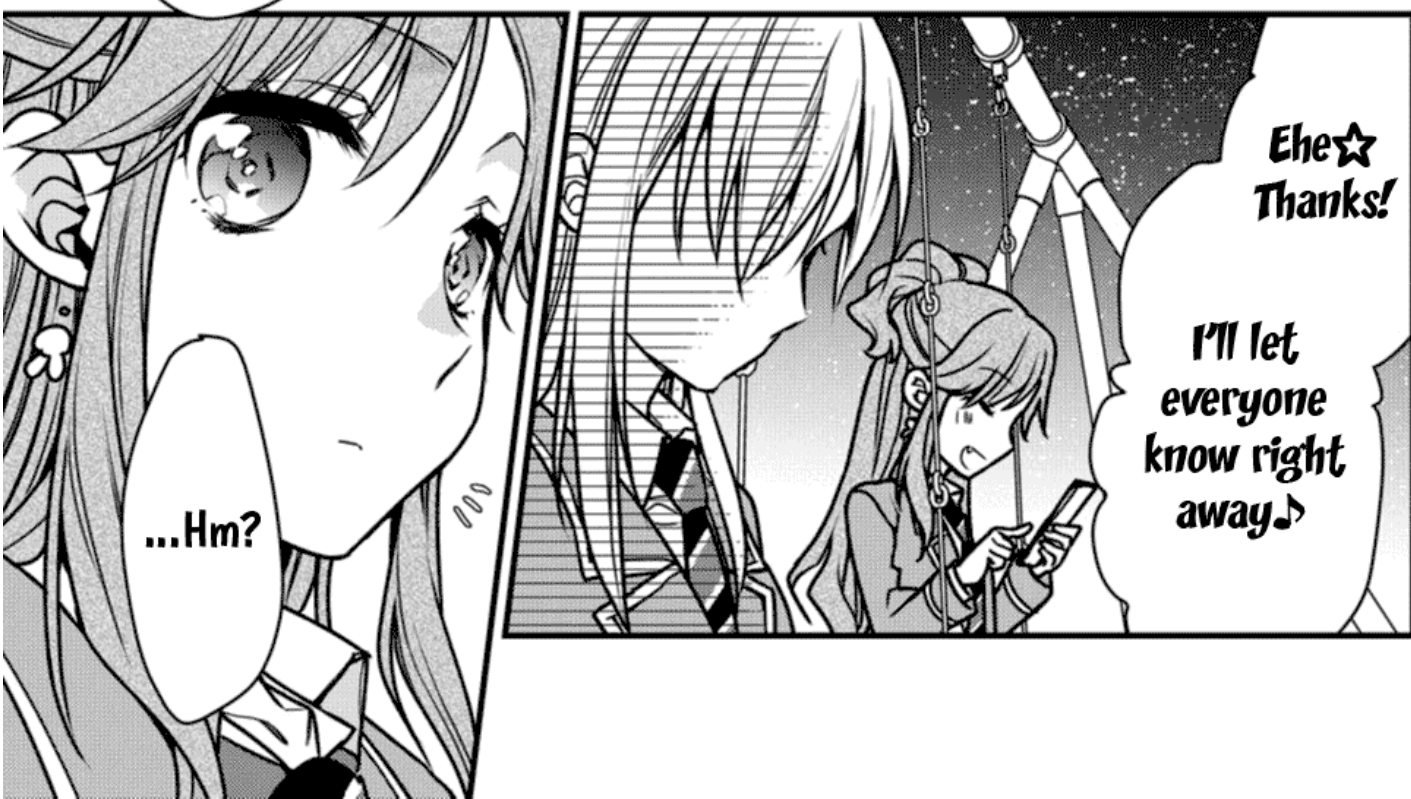

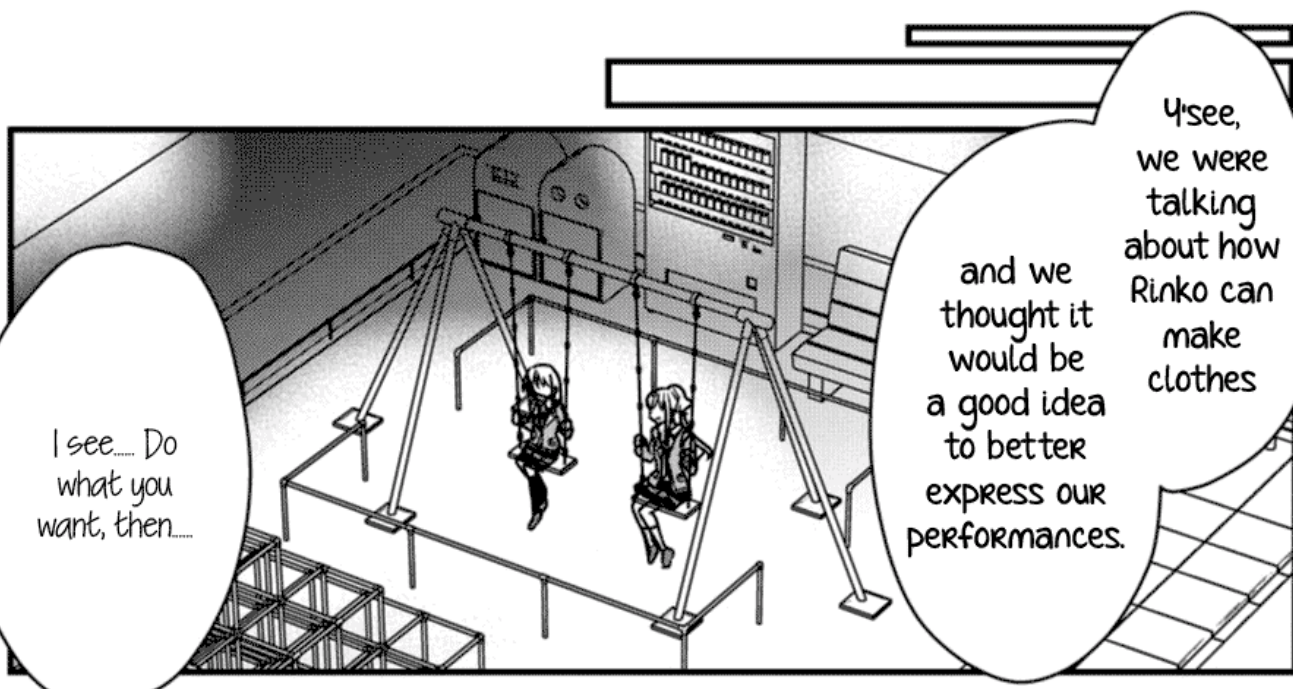

What should I do, now that I've made her wait...?

Why... haven't I taken the offer...?

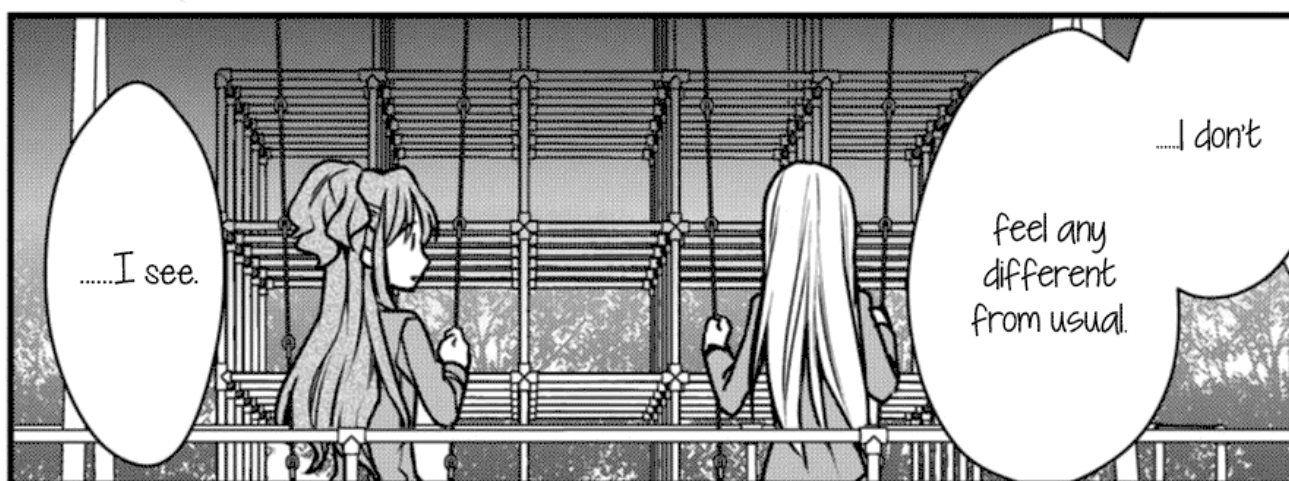

...Eh...?

Yukina...  
you don't  
look well.

.....I see.

.....I don't  
feel any  
different  
from usual.

...What  
would I  
even be  
doubting?

I have faith  
in my own  
music just  
as I always  
have.

I guess  
I was just  
imagining it,  
sorry about  
that☆

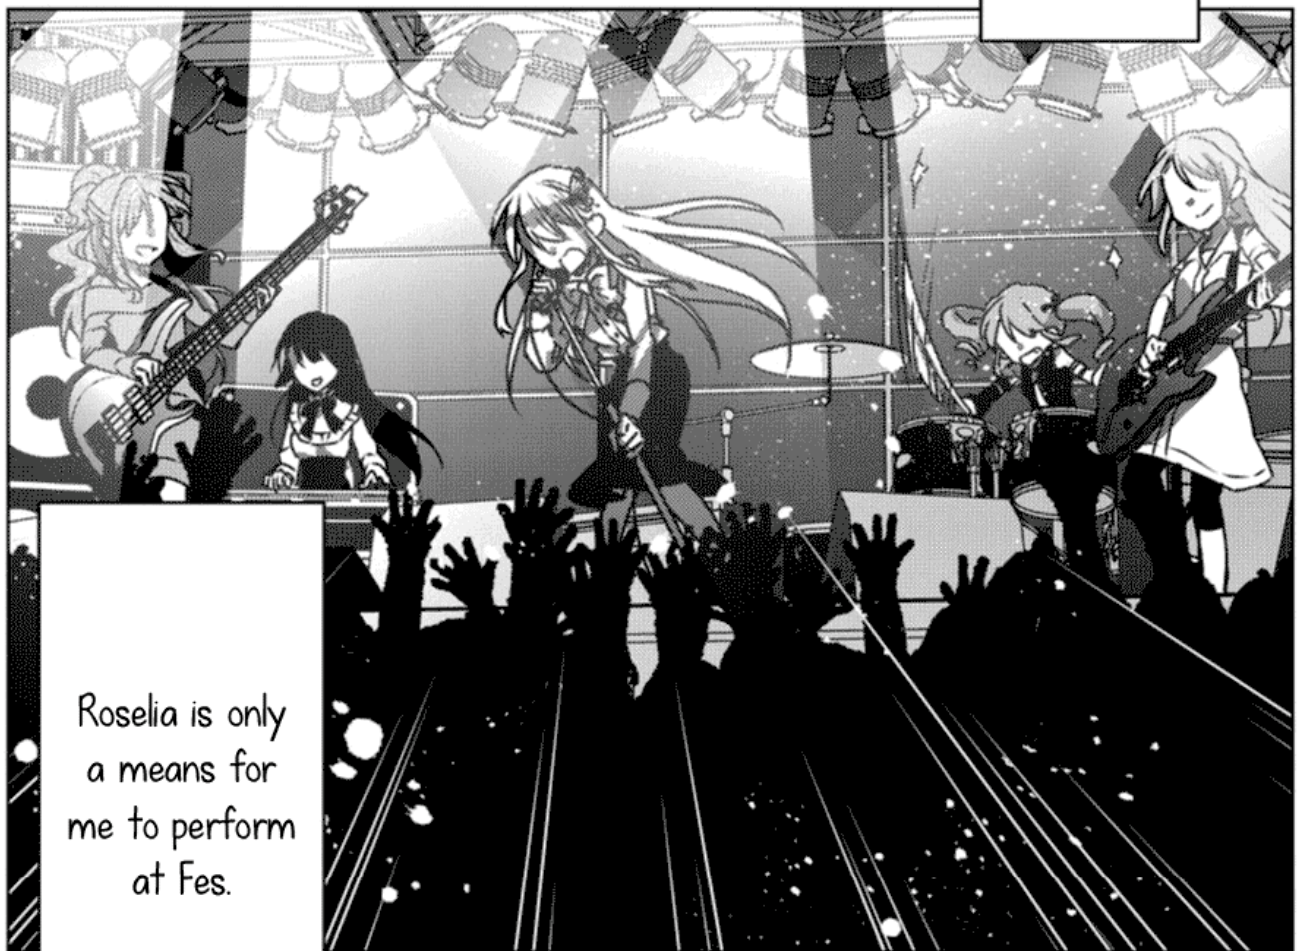

I thought...  
you looked...  
kinda  
doubtful for  
a moment...

My own  
music...

Isn't for  
Roselia's  
sake.

Roselia is only  
a means for  
me to perform  
at Fes.

I'm always  
here for you  
when you need  
someone to  
talk to.

.....!

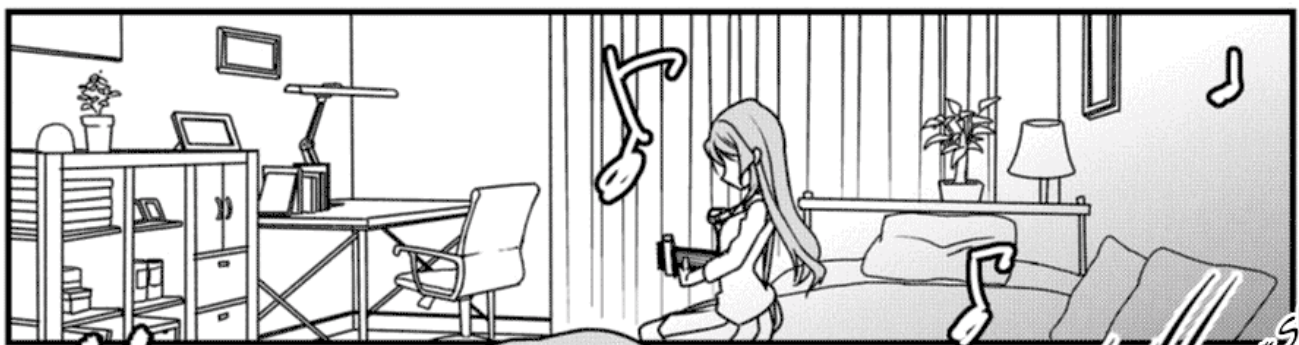

when we  
were little.

When I...  
look at you  
these days,  
it reminds  
me of

**\*Bang!\***

**ONEE-  
CHAN!?**

**\*SLAM\***

Close  
the  
door...

BUT... you  
don't look  
OK... you  
need to  
rest a  
bi—...

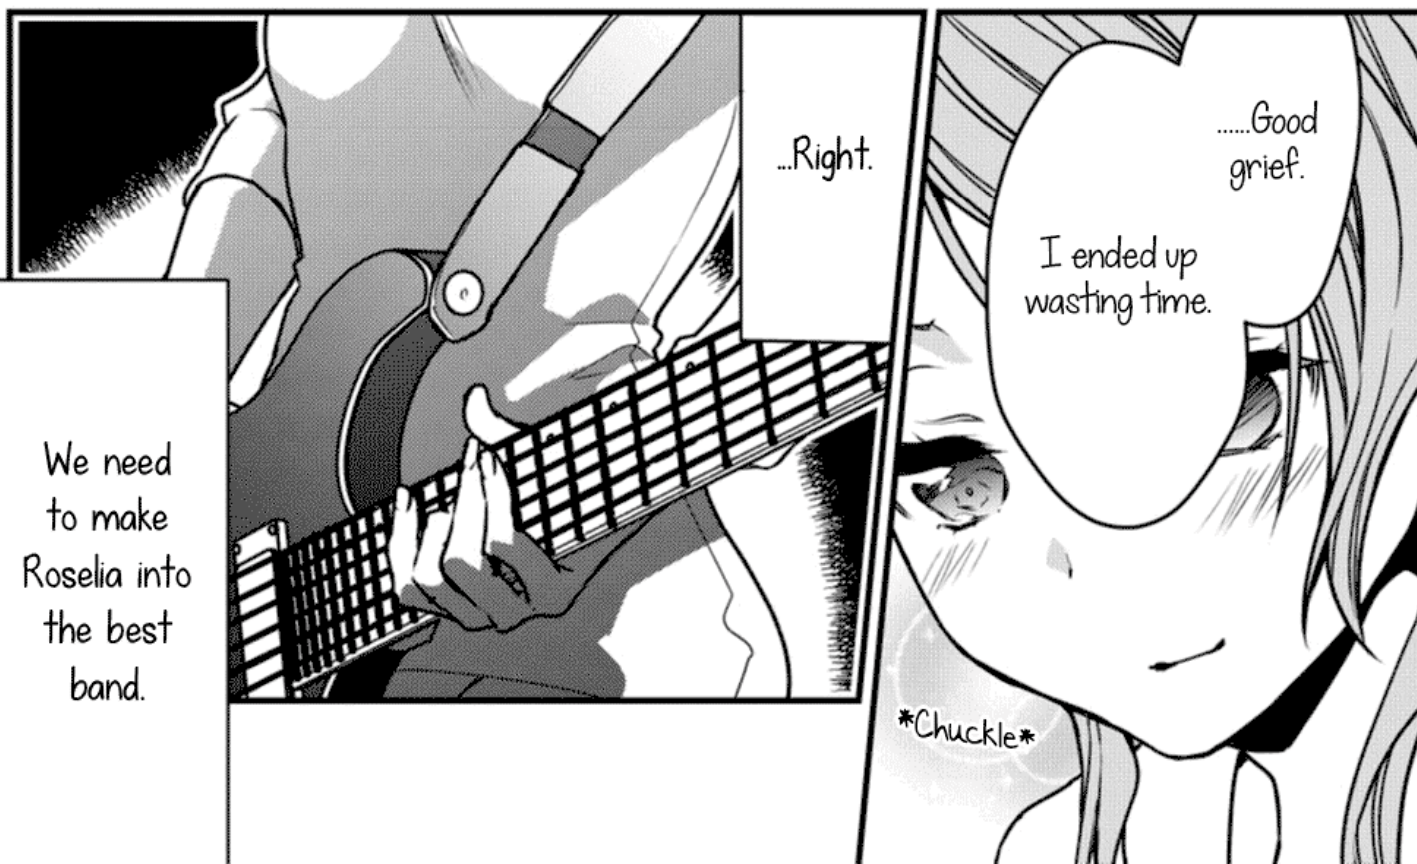

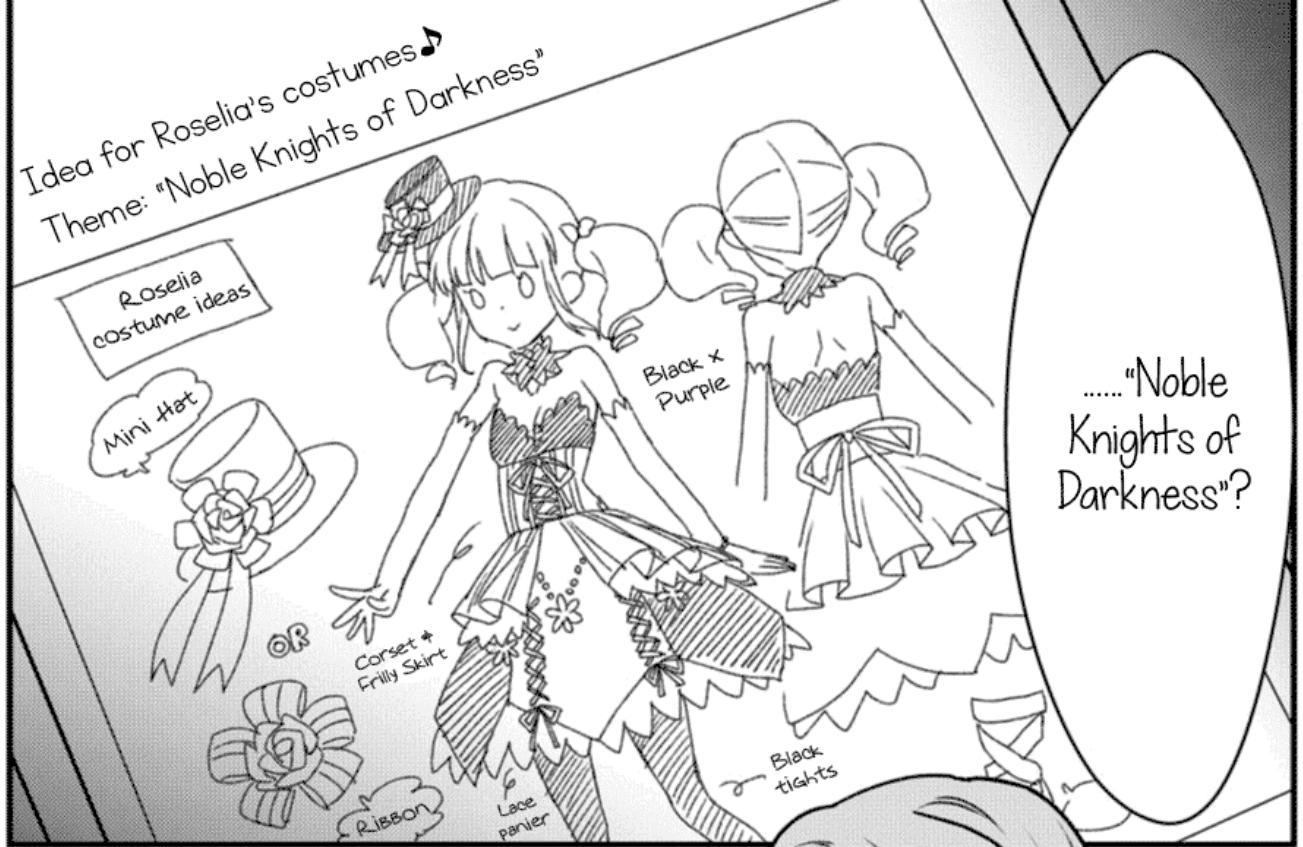

I told  
you to  
not come  
into my  
room...

Idea for Roselia's costumes 🎵  
Theme: "Noble Knights of Darkness"

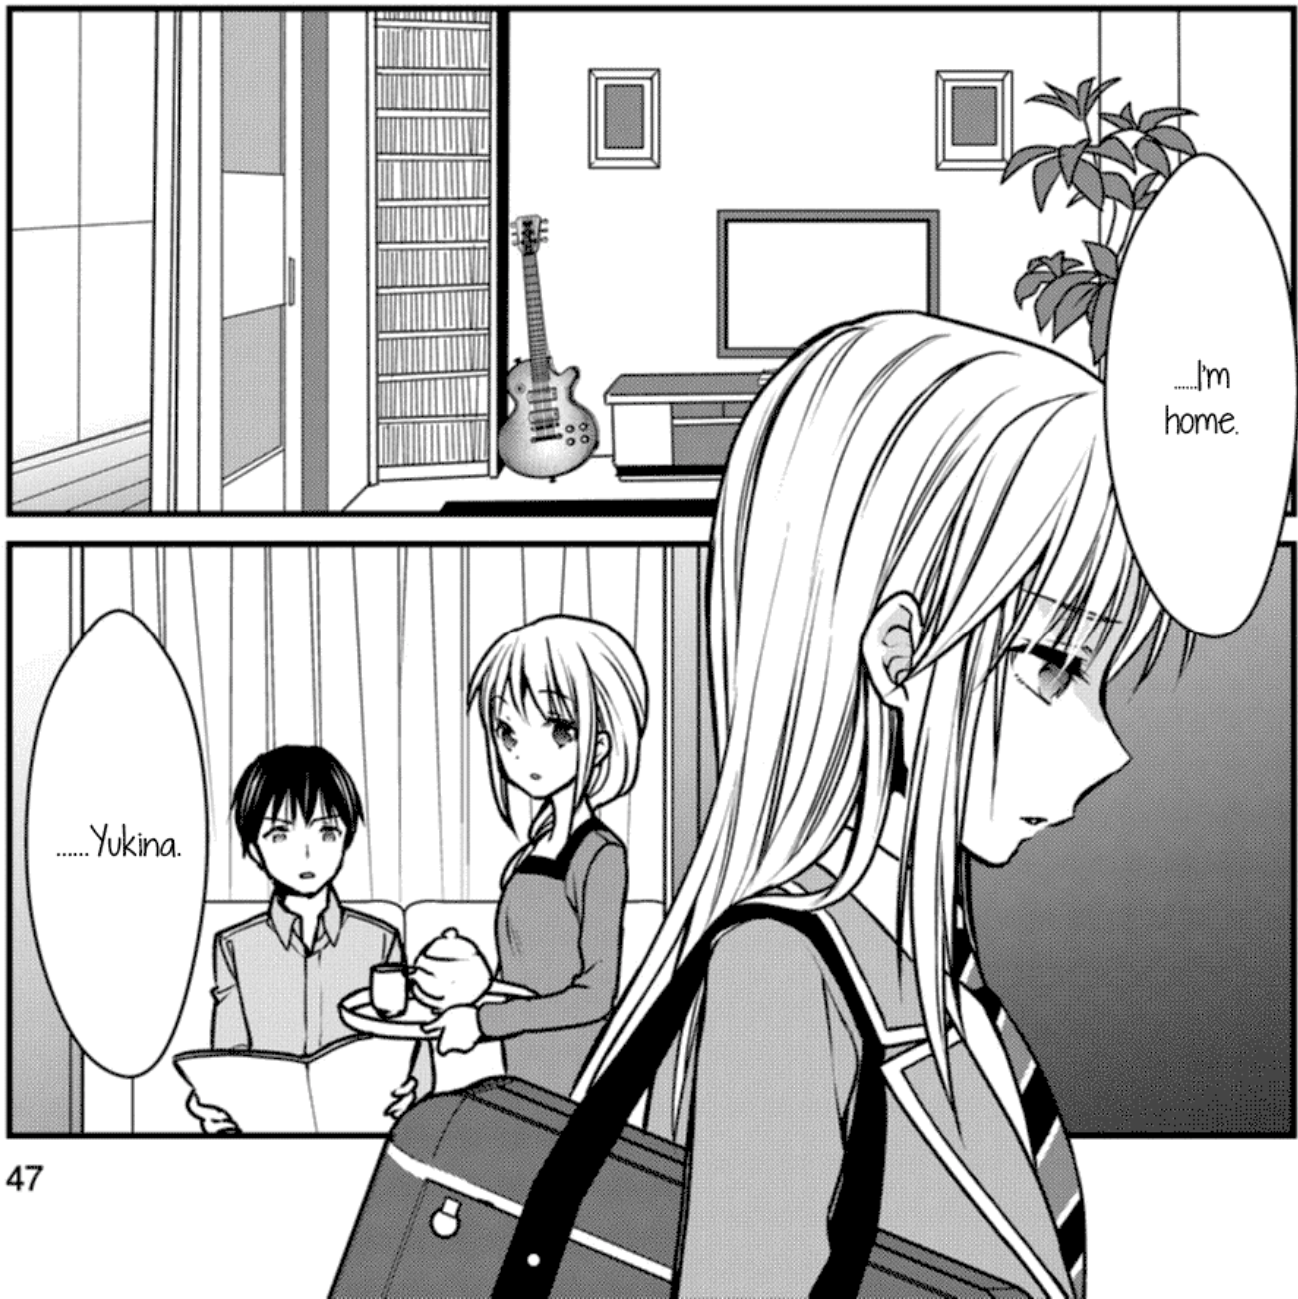

The  
guitar...

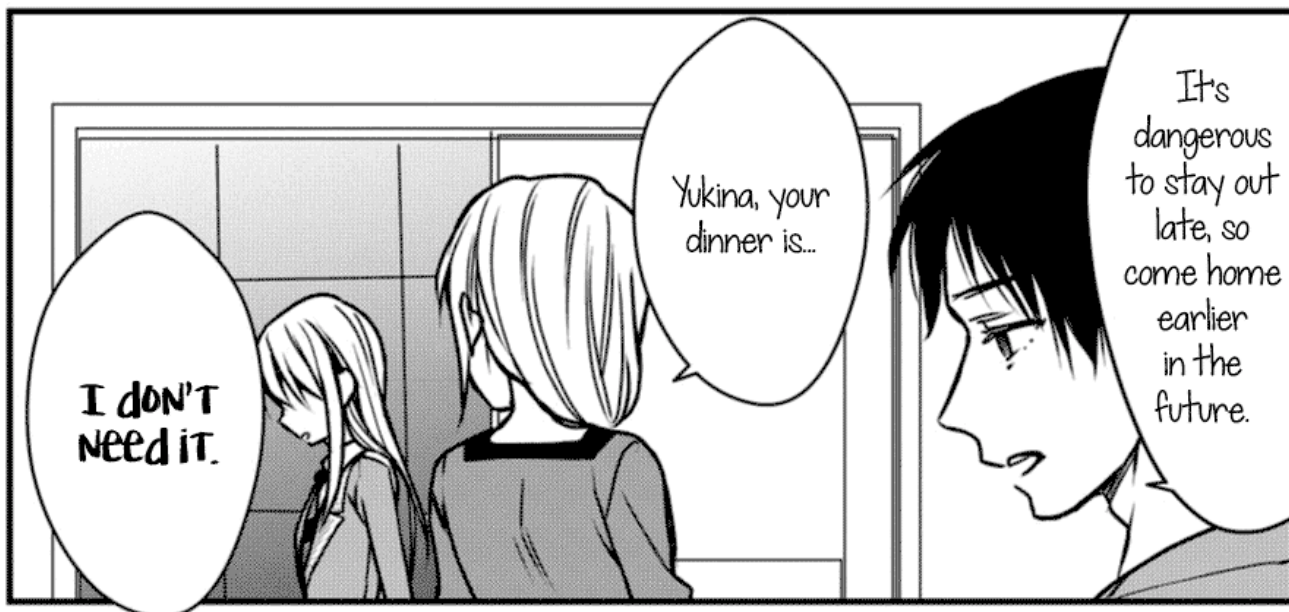

...is the one  
thing I refuse  
to lose to  
Hina on...!

...I'm  
home.

.....Yukina.

I'll be  
better  
than my  
father  
was.

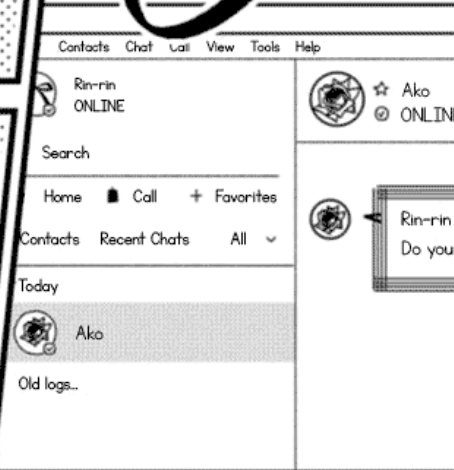

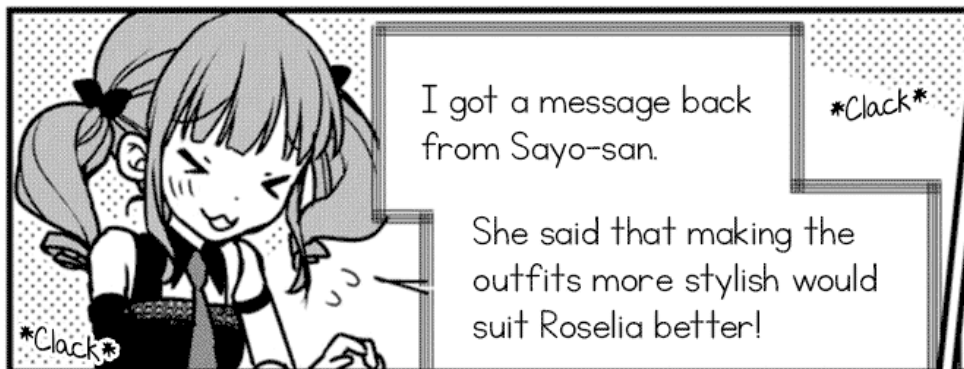

And then...  
...I want to...

see him  
smile  
again...

That's  
why...

I can't  
afford to  
have any  
doubts...

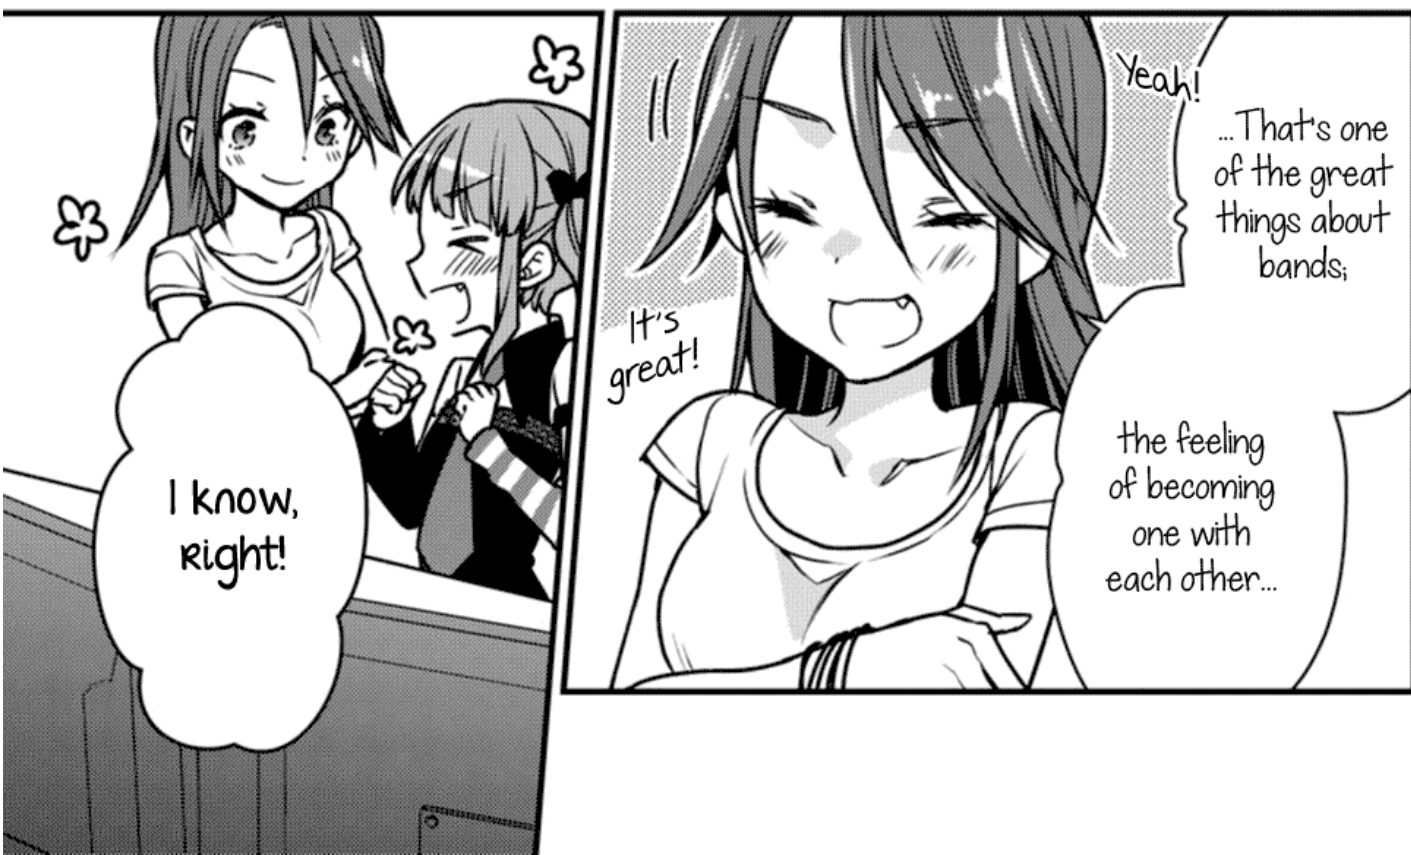

...I need to  
get this  
right.

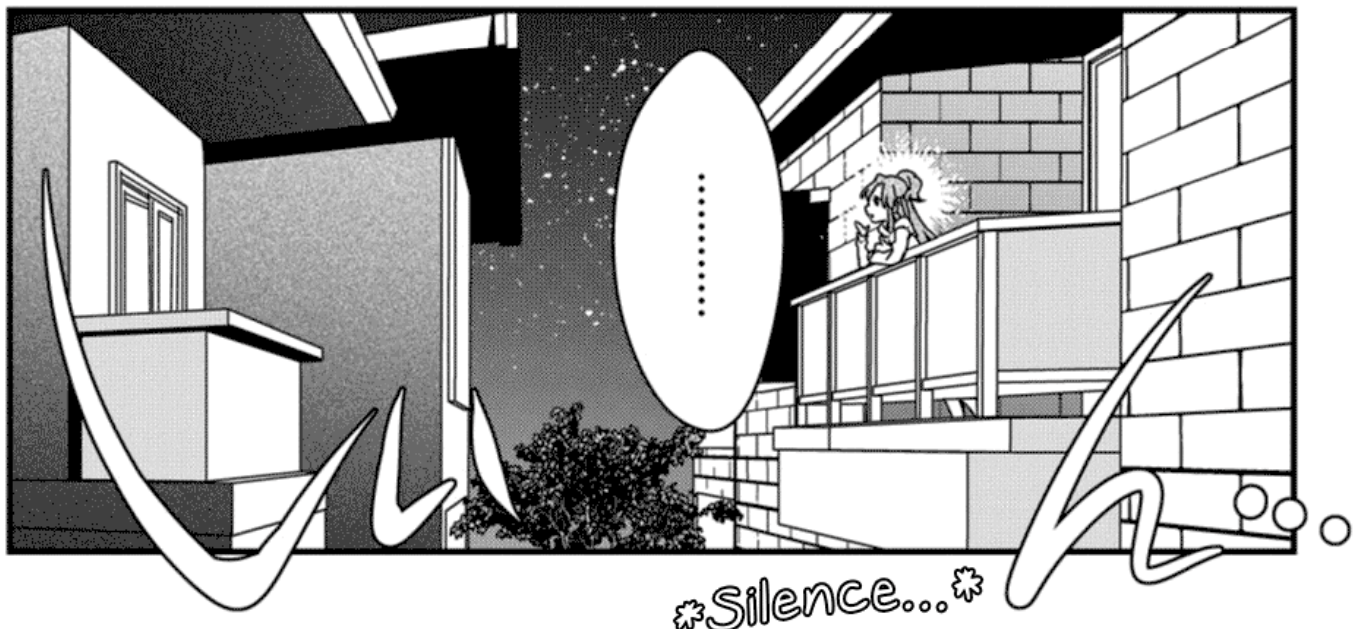

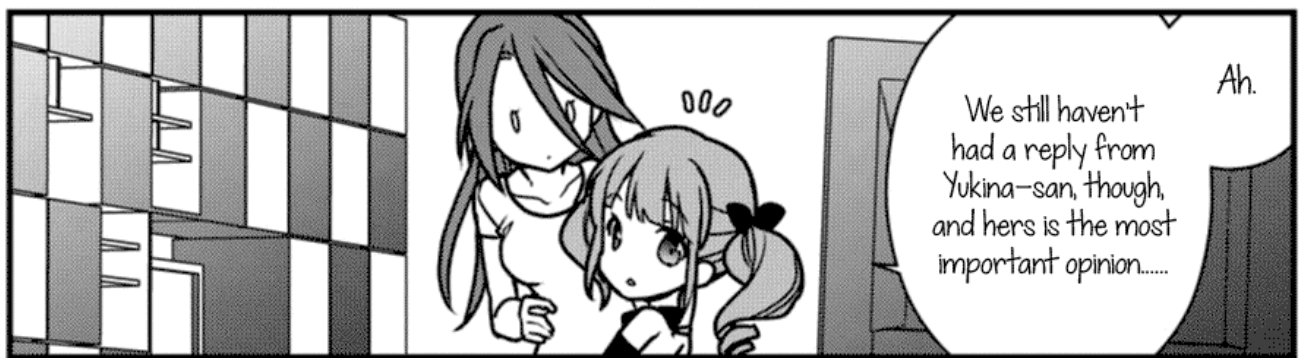

This is the first  
time anyone other  
than Ako-chan has  
asked me to do  
something like this..

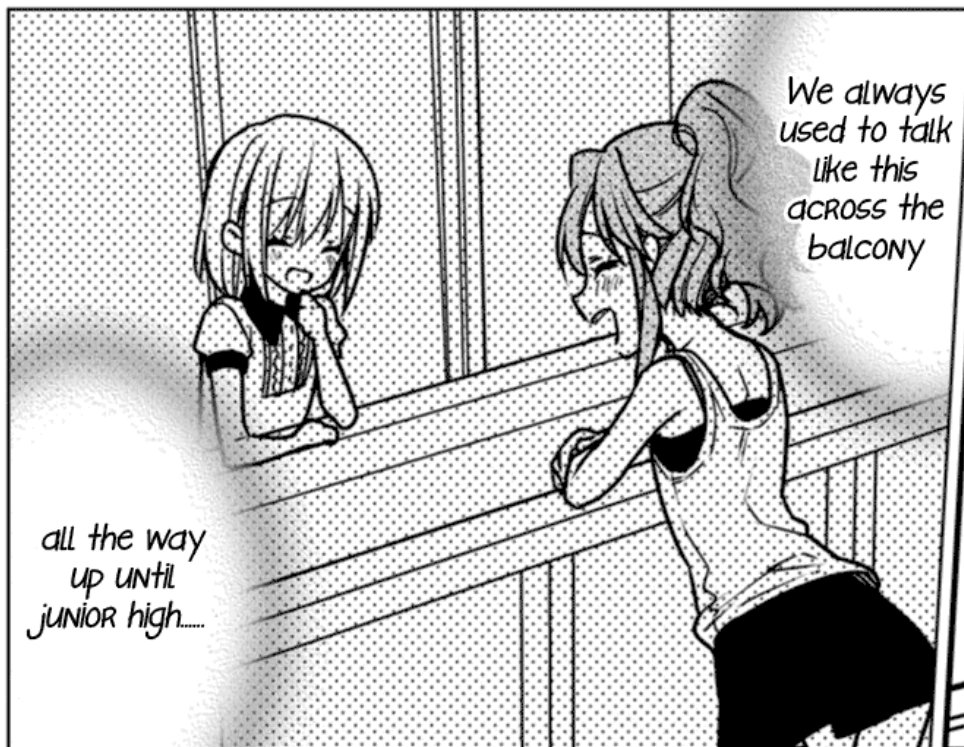

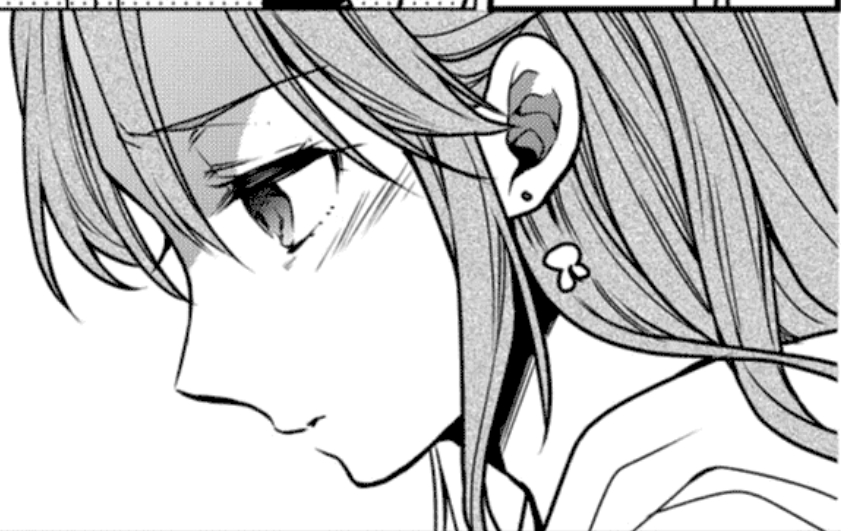

We always  
used to talk  
like this  
across the  
balcony

all the way  
up until  
junior high....

I guess  
I shouldn't  
really  
expect a  
response.

Yukina...

about  
something

You  
really  
are  
worrying

on the other  
side of those  
curtains,  
aren't you...?

When I'm  
holding  
onto my  
keyboard.....

But I've  
noticed  
that I don't  
mind them  
so much...

I used to  
not like  
crowded  
places...

I've tried  
making  
your outfit  
ahead of  
the others...

Ah!  
M-...  
More  
importantly,

Ah!

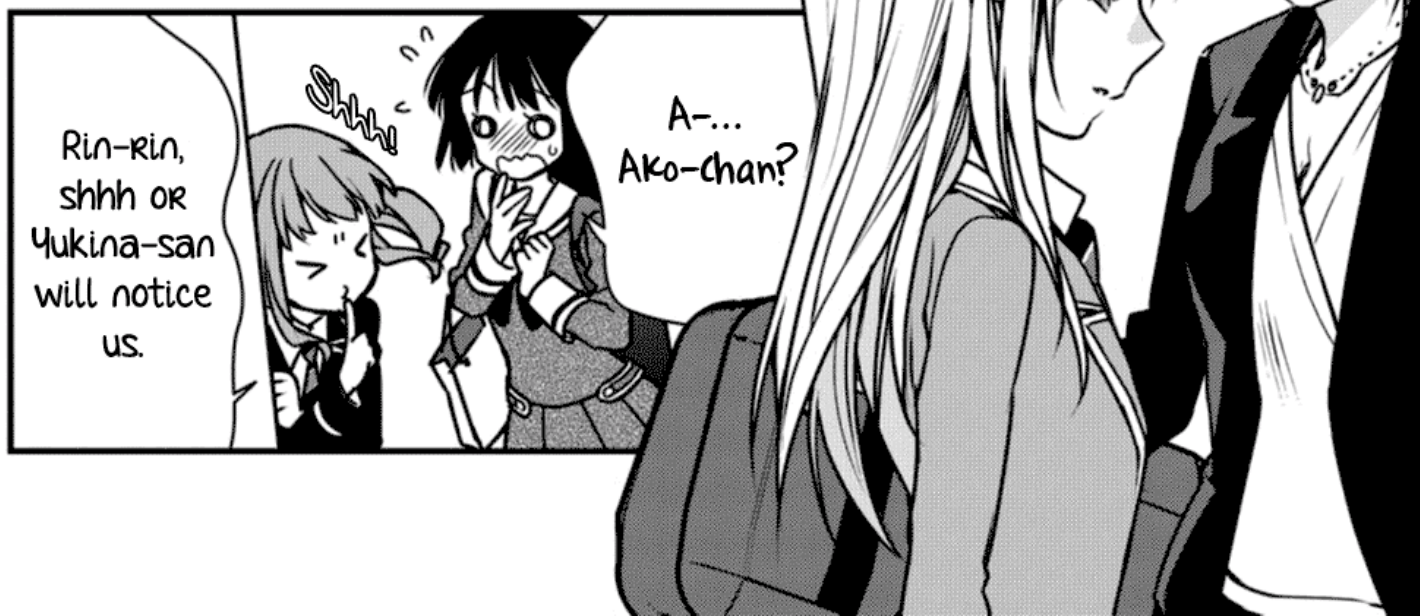

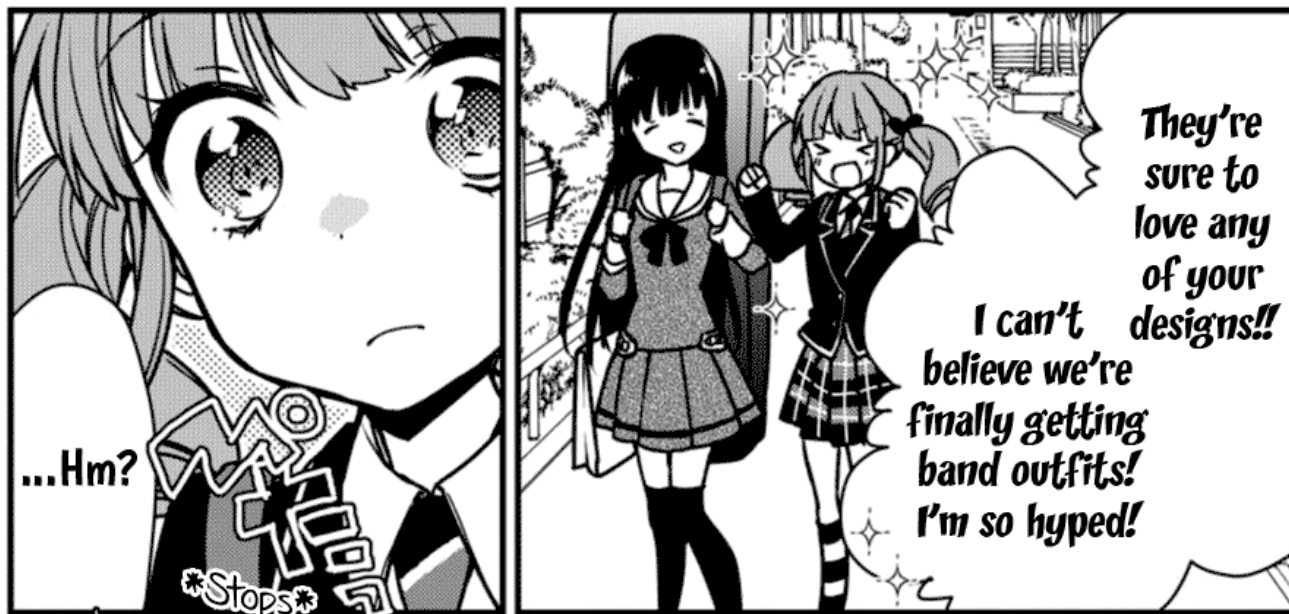

**That's  
amazing!**

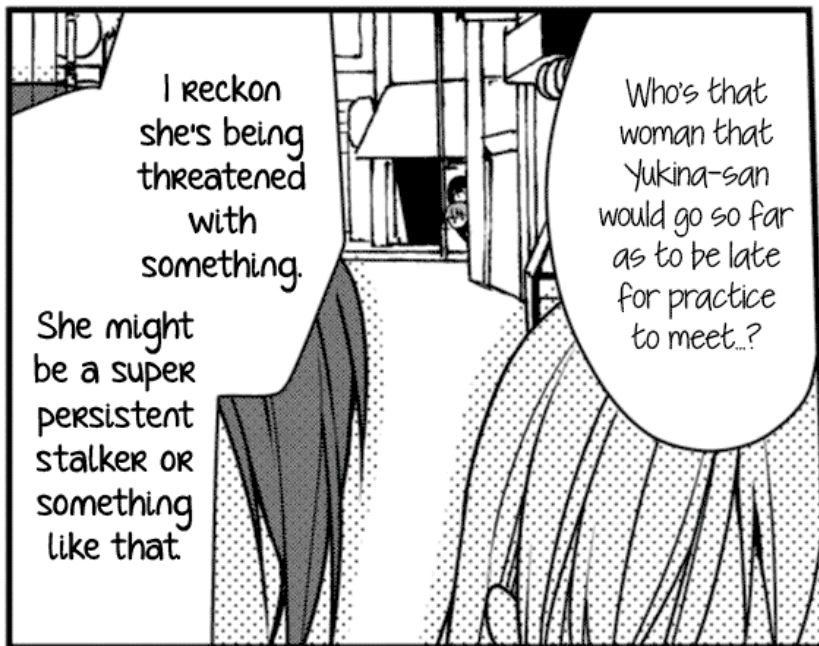

**Eh,  
really!?**

Yaaaaay!!

I reckon she's being threatened with something.

She might be a super persistent stalker or something like that.

Who's that woman that Yukina-san would go so far as to be late for practice to meet...?

But it's almost time for practice.

We can't just follow her like this....

Ako-chan... let's stop this...

Ako-chan...!

Awa wa wa wa

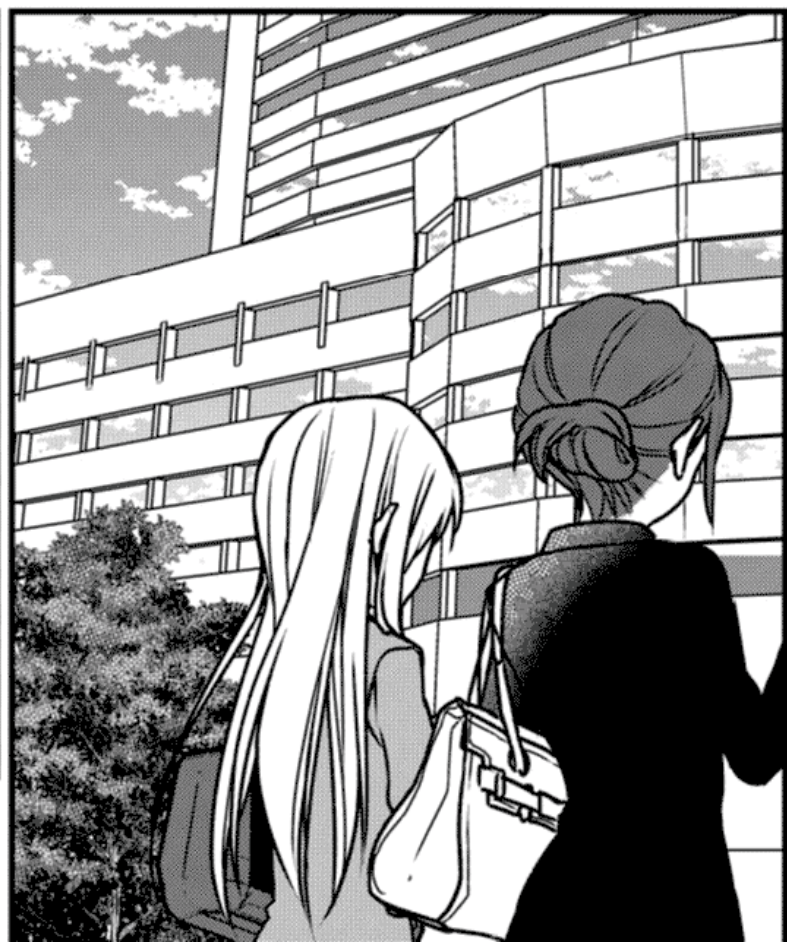

\*slps\*

\*slps\*

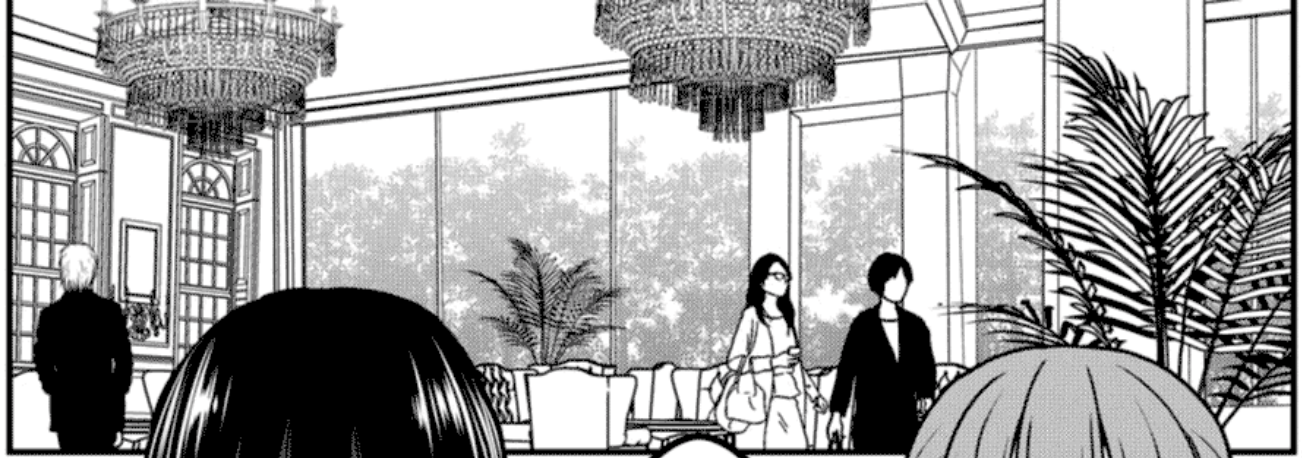

There's no way... ..we'll be able to... get in...

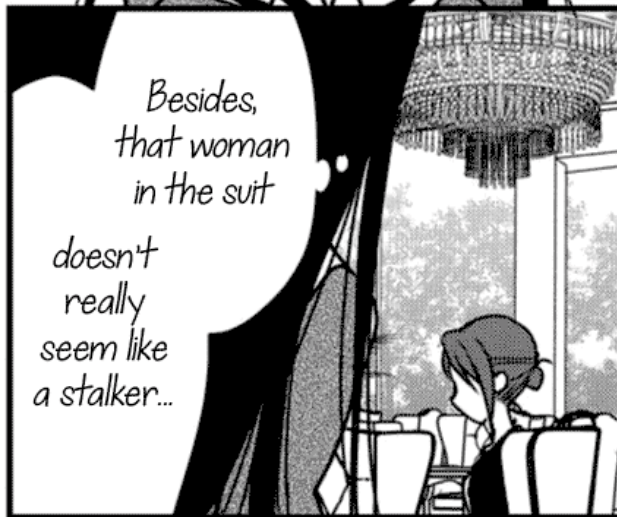

Wow, they went into a super fancy hotel! Let's follow them!!

WE GOT  
IN...

Besides,  
that woman  
in the suit  
doesn't  
really  
seem like  
a stalker...

Ako-chan...  
We shouldn't  
be... doing  
this sort of  
thing.

We can't  
hear what  
they're  
saying  
from here,  
let's get a  
bit closer...

...Eh?

But this is  
business.

Our agency  
member you  
spoke with  
earlier is a big  
fan of yours and  
carelessly said,  
"We'll wait for as  
long as you need."

...No one else... has contacted me yet.

Have any other agencies contacted you?

If another agency has a more tempting offer for you, then we'll admit defeat and give up.

You shouldn't even need to think about this.

In that case, your options are either to struggle though the contest with Roselia or to have a guaranteed performance on the main stage with us...

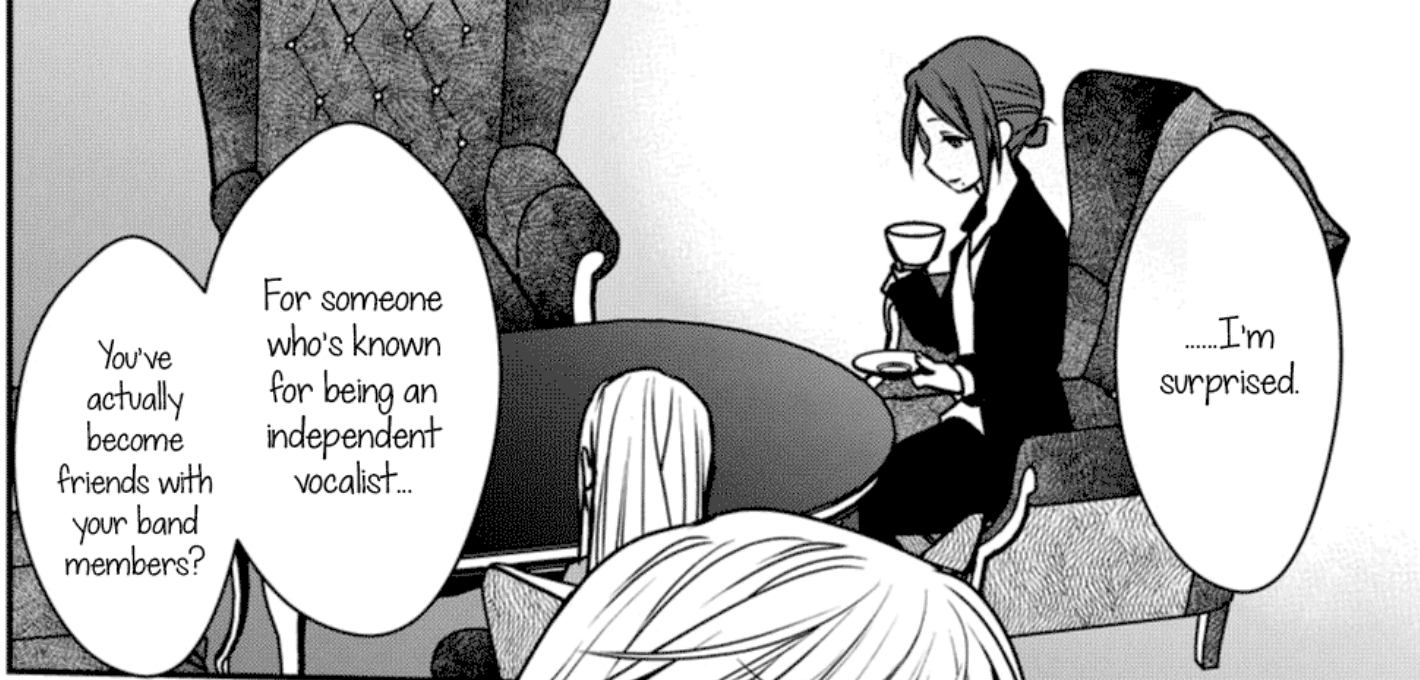

...I don't... know.....

.....Hey, Rin-rin... what's going on?

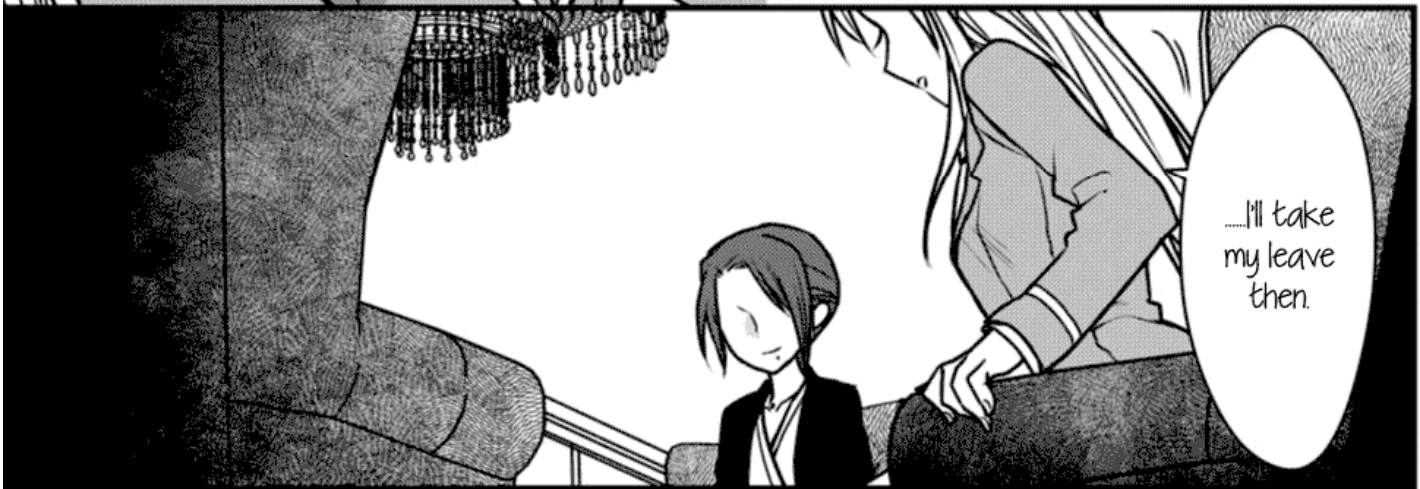

...Understood.

as the  
solo artist  
you are.

We'll be  
praying that  
you make the  
right choice,

.....I'll take  
my leave  
then.

L- Let's head...  
to the studio  
for practice...  
for now...

We need  
to be  
there..

Rin-rin, was  
that just...

Y-  
LET'S MEET UP WITH YOU'RE  
EVERYONE RIGHT...!  
ELSE... THEN  
WE CAN THINK  
ABOUT IT!

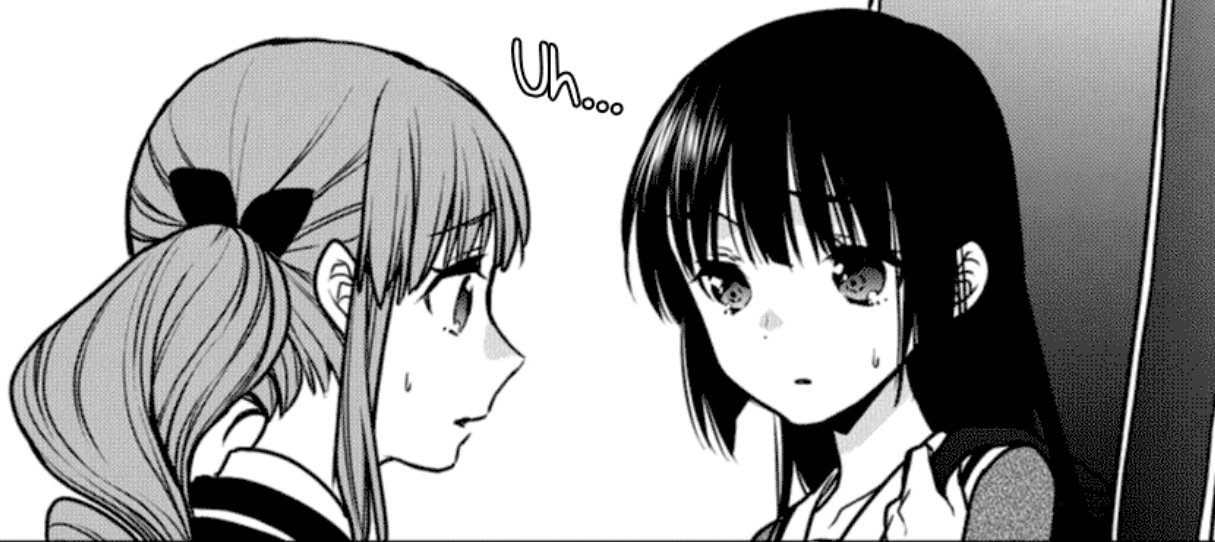

INBOX  
Imai Lisa  
(No subject)  
Heya~ It's Lisa! Sayo and I  
are the only ones at practice  
today, what's wrong?

Ah...

It's a  
message  
from Lisa.

She's  
wondering  
what's going on  
since she and  
Sayo-san are  
the only ones  
at practice...

\*Whispers\*

From the looks of things...

...she hasn't told them... about what we saw...

Yukina-san...

Hey!

Imai-san!

What's with the serious looks on your faces, you two?

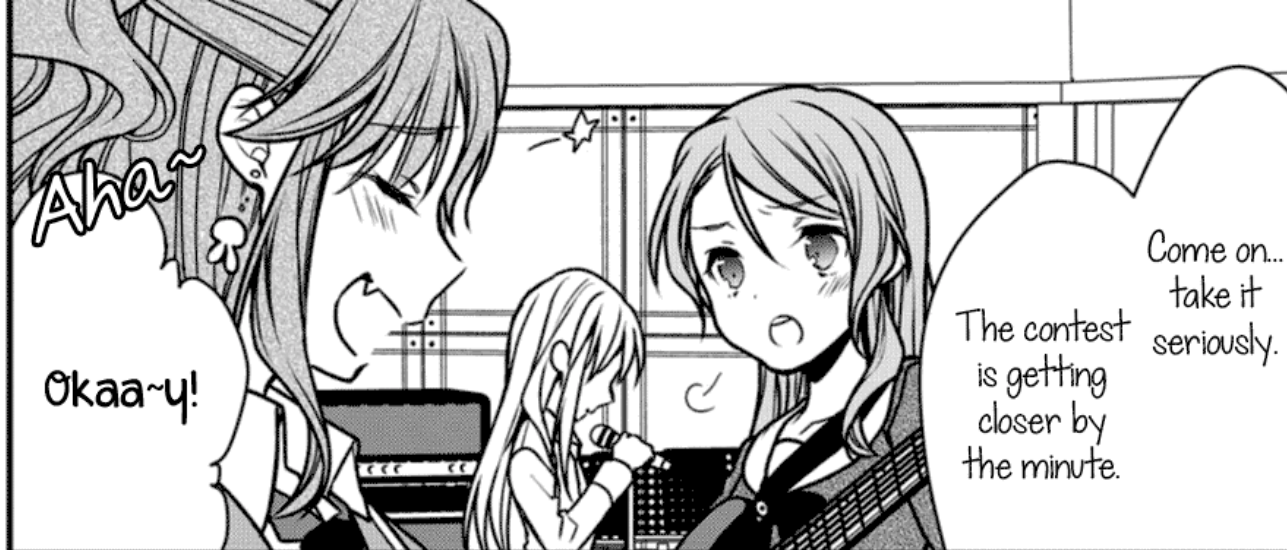

It's not like that was the first time Sayo-sensei's gotten angry like that☆

Rin-rin...

This is...
